

Certification for Groundwater Monitoring System

CCR Unit: Brandywine Ash Management Facility Phase II

Certification:

I, William M. Steier, a qualified professional engineer registered in the state of Maryland, have reviewed the information in the *Basis for Groundwater Monitoring Network Certification* and based on my review, in my professional opinion find that, the Groundwater Monitoring System for the Brandywine Ash Management Facility Phase II meets the requirements of 40 CFR §257.91.
